Ride TriMet Day: Wednesday, March 18, 2009

Help L&C get a direct TriMet line downtown!

//

This isn't just about money or how long it takes to get downtown. This is about the environment and reducing our carbon footprint.

-Shane Rivera, ASLC //

Let's show TriMet our PIO SPIRIT!

Ride TriMet Day Rally!
Wed. March 18; Noon
SOA Lawn
(rain: Fields Foyer)

get a free ride to

If TriMet accepts our proposal, L&C will subsidize bus passes for students, faculty and staff year-round. This will be expensive, but this is about efficiency and the environment!

still easy, just greener

On March 18, the Raz will not run. We're doing this to show TriMet that we will use the 39 furiously if we have that option. We want to flood the 39 with the L&C community.

Pioneer Courthouse Square

You can get to Freddy's. Downtown. Home, to a dinner party, to Sellwood if you transfer downtown. You could go anywhere, since you'll have a whole bus pass.

GREEN

means GO

try it march 18

<http://www.lclark.edu/dept/activity/trimetday.html>

eliminate one coach bus
save hella scrilla

You care about the environment?
Your really care about how we
affect the planet? We have the
opportunity to make a change. This
is what L&C students seize.

WHY ARE WE DOING THIS?

- Actions speak louder than words!
- Community involvement and activism!
- Eliminate duplicate services!
- Reduce L&C's carbon footprint!

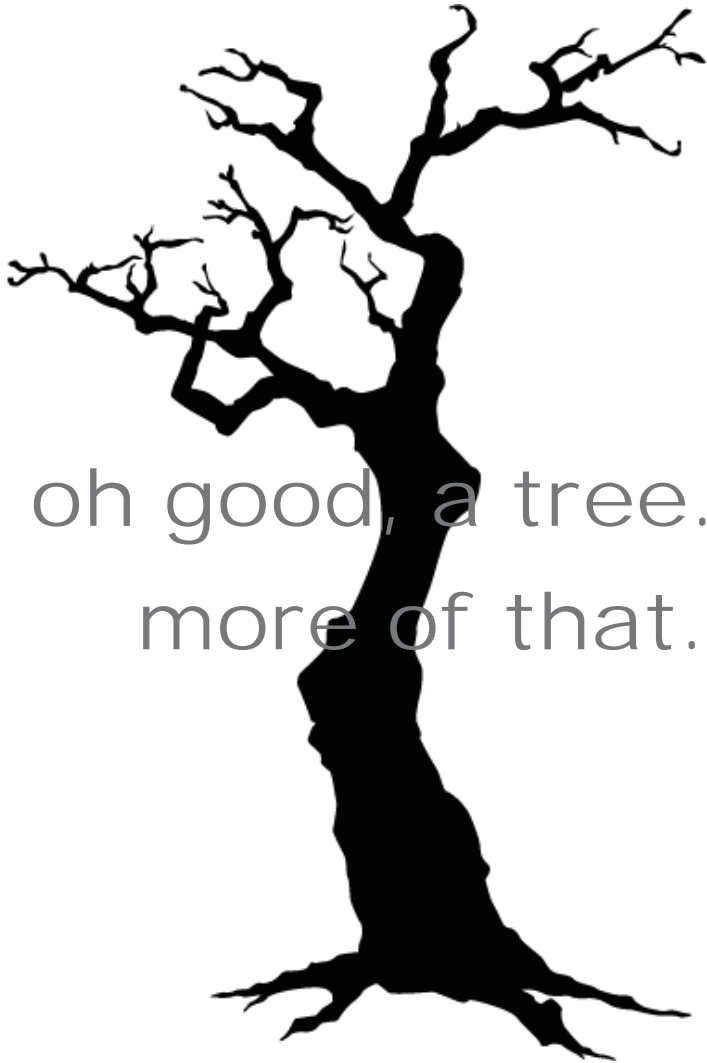

“

The success of this event depends
on our ability to work for something
much, much bigger than ourselves.

”

-Shane Rivera, ASLC

please
rock it

oh good, a tree.
more of that.

Even if you don't need to go
anywhere, please hop aboard the
39 in the spirit of a greener L&C
transportation system. There are
hundreds of things to do on a bus...

Hold a meeting. Have class. Look
at other people's babies. Do the
crossword. Count birds. Play with
a yoyo. Flex your muscles when
the bus swerves. Think about small
steps toward a greener community.

Wanna volunteer? There are
opportunities to help the cause! We
need help staffing the pass distribution
tables on Tuesday and Wednesday.
Stop by the Student Activities Office
to sign-up for a shift! *Thanks!*

join the cause, get on board. hop on, make it green. go!
