OVERALL RATING				

NOTE: Since this internship is interwoven with SCED 505: Personal/Social Development and Consultation in terms of the campus classroom experience, the items listed for evaluation for SCED 505 also inform the evaluation for SCED 506. Furthermore, since SCED 506 requires on site application of the knowledge and skill base covered in SCED 505, it is possible for candidates to succeed in SCED 505 and still have difficulty in SCED 506. Such instances will result in a plan of assistance for the candidate.
